BOARD NOTE

Subject: Fixation of Fee for Providing the Eligible Voters List in Physical and Soft Copy Formats

In connection with the upcoming elections, it may be necessary to provide the eligible voters list either in physical form or in soft copy to interested candidates who intend to file nominations and contest the elections.

At present, the existing tariff structure provides for a fee of ₹1,000/- per physical copy of the voters list. Considering the likely demand and the associated administrative and material costs, the matter is submitted for the consideration of the Board to review and fix appropriate charges for furnishing the eligible voters list in both formats.

Submitted for the approval of the Board.
